Many Battles have been fought to Bridge our Freedom to this land  
And its been bought by precious blood of soldiers shed by foreign  
hands

But there was one who fought a battle men of war could never win  
At a place called Calvary's mountain, Where our Salvation plan  
began

### **CHORUS:**

Oh Say can you see it's that man from Galilee  
He Know longer hang's between two thieves  
For he rose up victorious with his death he conquered sin  
And now he reigns in all his Glory  
Oh say can you see.

We cry for peace down through the years but sounds of war is all  
we hear

The pages of Gods word tells us that the time is drawing near  
When every nation will rise against each other on that final day  
Then every army will cease to be, as his glorious face they'll see  
And every tongue will confess to God as they bow down on their  
knees

*And they'll cry*

### **CHORUS**

### **TAG:**

O say can you see that man from Galilee  
He reigns in all his Glory Oh say can you See  
Oh say can you see
