**My little girl walked by my side
And as I looked into her eyes
A light seem to shine from up above
As she leaned close to me
As if I was to flee,
She reached out and took me by the hand
As I looked into her eyes, I began to realize
The questions she wrestled in her mind
And the words that she said, came crashing to my head
As my little girl spoke these words to me**

Chorus:

**Mommy, will you be up in Heaven?
Do you think that I'll see you that day?
Mommy you must be up in Heaven for you see
Jesus, He planned it that way.**

**Then as my eyes awoke
I couldn't forget the words she spoke
Even though it was only a dream
Tears streaming down my cheek
Slowly stumbling to my feet
I found her lying fast asleep
Then I cried Lord I've been blind
Things I know I left behind
You planted in me years ago
Though it was just a Dream
It opened up my eyes too see
Through the mouth of my child he spoke to me.**

Chorus

**Tag; And I'll say Honey oh I'll be up in Heaven and yes you will see me that Day
Honey Oh I'll be up in Heaven
For you see, Jesus planned it that way.
Yes Jesus he planned it that way.**
